

# BACHELOR OF EDUCATION

**(EARLY CHILDHOOD EDUCATION) HONOURS**

***"Affordable  
Early Childhood Education  
with global opportunities  
in 3 years."***

## Programme Brief

*The programme is designed for those who want a comprehensive teaching degree that will assist them in building successful career in the early childhood education sector; and most importantly for those with a passion for teaching.*

*Young and developing children require educators who are able to provide appropriate care and education for them. The significance of having qualified and trained ECE educators is now accepted by young parents, policy makers and society at large. It is therefore timely that those who care for and teach the young, and those who aspire to be ECE professionals, can now pursue the Bachelor of Education in Early Childhood Education.*

## Programme Highlights

- *The programme is internationally benchmarked, approved by the Malaysian Ministry of Higher Education and accredited by the Malaysian Qualifications Agency (MQA).*
- *Interactive learning activities, assignments, online discussion.*
- *Easy access to myPLS anytime, anywhere any devices.*
- *Access to the physical and digital library comprising of around 190,000 e- books, 95,000 e-journals, and 2.4 million e-theses titles accessible anywhere anytime.*

## Learning Outcomes

- *Demonstrate knowledge and understanding of the core knowledge areas.*
- *Apply knowledge and understanding to provide developmentally appropriate learning experiences for children's development.*
- *Engage families and communities in enhancing quality early childhood education and care.*
- *Practice professional values, attitudes and ethics.*
- *Communicate effectively with children, colleagues, families and the community.*
- *Apply problem solving, self-reflection, scientific skills and creative thinking in the care and education of young children.*
- *Resource, select, analyse and apply information to enhance early learning and self-development.*
- *Exhibit managerial and entrepreneurial skills in early childhood settings.*
